

A U R O R A

AURORA

There is a time for laughter,
a time to cry,
a time for hello,
and a time for goodbye.
When this time comes
we hate to depart
But we must be individuals
and make a new start

Its time to adjust to the
changes we make
And realize that our lives
can be at stake
We must plan out a future
and start a new life
Move out of the present
and look for advice
Some may take college
others a career
But either way each of us
has to leave here
It won't be that easy to say
goodbye
But as adults we must give it a try

To all of the friends you've met
through the years
Keep grasp of the memories
and hold back the tears
Good luck to you all
in your future years.

by,
Kimberly Mann

The Best of Friends

Friends are important
yes indeed
They're some of the ones,
we truly need.
Though you will have your
your ups and downs,
Friends are great to be around.

FACULTY'S
COMING!

ADMINISTRATION

To The Class of 1989:

A sincere thanks to the Class of 1989 for your warm reception and friendliness during my first year as your Superintendent of Schools. I wish success and happiness to each of you in all your future endeavors. I am confident that you will look back with certainty at your education at Dighton-Rehoboth Regional High School which will enable you to reach your own special "moment in time."

Richard Kisiel
Superintendent of Schools

To The Class of 1989:

Congratulations and our best wishes for a happy and successful future. Graduation from high school is a once in a lifetime event. As graduates, you cannot "pass this way again." The process of drifting apart has already begun for many of you. All of your lives and lifestyles will now change in a way none of us can imagine as we look through this yearbook at this time. Your yearbook contains a pictorial account of your final year at Dighton-Rehoboth, and the many activities and friends which characterized that very special time of being a senior.

Each of you have left something of yourselves behind at Dighton-Rehoboth that we will always remember. As the years go by we will all have many chances to reflect on this class and the individuals that contributed to your unique legacy. We find consolation in the thought that we as a faculty have done as much as we could to help you. We hope that many of your teachers have made a positive impact forever on your lives.

We have enjoyed your stay with us. On behalf of the administration, faculty, and staff of the high school, I wish each and everyone of you the greatest possible success and happiness in the years that follow.

Marshall Sawyer
Principal

Class of '89:

May each and everyone of you meet with success at whatever you choose to do. As time passes, the 4 years you spent at Dighton-Rehoboth will seem but an instant. As you join the adult world with its responsibilities and problems, hopefully what you have learned will benefit you throughout the good and bad times. May you be blessed with good health and good fortune. Come back and visit the new addition your class saw started.

George H. Petrin
Assistant Principal

Congratulations and best wishes to the Class of 1989. Look back with fond memories and look forward with hope and promise. The power is within each of you to be all that you can be. Good luck and may your lives be filled with peace and happiness.

Mr. Francis M. Marcille
Assistant Principal
Director of Occupational Education

To the Class of 1989:

It has been my privilege to know and work with you these past four years. Each of you has such tremendous potential; it is my fondest wish to each of you that you realize this potential and become all you can be. The concluding lines of an Irish Blessing summarize my feelings:

"May the sun always shine on your windowpane.
May a rainbow be certain to follow each rain.
May the hand of a friend always be near you.
May god fill your heart with gladness to cheer you."

This year, the varsity football team finished with a record of five wins, four losses, and one tie. The pre-season predictions, from coaches and newspapers, concerning the team were mostly negative. It seemed as though everyone was pessemistic about the 1988 squad, except the team. The team pulled together to have a very successful season.

The 1988-89 Varsity Field Hockey team had the best record in D-R's history of 18-1-2. With hardwork and dedication the falcons pulled through and won the South Coast Conference Championship. Surpassing their goal, the lady falcons qualified for the semifinals in the Division 2 Championship. The finished runners-ups for south section of Massachusetts. Congratulations on an excellent year.

The D-R JV Field Hockey Team enjoyed a moderately successful season record-wise. However, in measuring the success of this team, more satisfaction was gained from observing the number of girls who learned to enjoy the game while making definite progress in the fundamental aspects of the game. Twelve girls contributed to the team's scoring totals, and defensively the young Falcons posted eight shutouts. Many members of this team should be prominent on future varsity teams.

Nice Spike Erin!

The 1988 Varsity Volleyball season was the most successful in D-R history. With the stupendous overall record of 16-6, the team, led by 5 seniors, was very impressive. Hard work and effort make the season something to be proud of. The JV team was almost undefeated. Also D-R's best year and looks good for next year. Mr. Fanczyk is striving for even a better year than the last.

Does anyone see my ball?

The 1988-89 Varsity Golf team finished another successful season with a record of 14-3-1. The team finished second in the SCC and will compete in the state tournaments in the spring. Seniors John Alderson, Jay Buffardii and Brian Jaworek were named to the SCC All-Star squad and the Attleboro Sun All-Star Team. Coach Cute was named coach of the year for golf.

The Lady Falcons finished their season with a record of 9 wins and 10 loses. They will be losing some of their best players and high scorers like Chris Monteiro, Kelly Hamilton, and Michelle Botelho. But returning will be the powerful dynamic duo of the Spellman twins. Also they will be bringing a few members of its undefeated JV team. The future is bright with the upcoming of this squad, maybe even state tournament berth and title.

Heeeyaaah!!

The girls track team had an excellent season finishing second to Seekonk with a record of 7 wins and 2 losses. The team participated in 3 relays and the conference meet. The lady Falcons finished third in the SCC Relays, forth in the SCC Meet, seventh in the State Class C. Relays, and third in the Dennis-Varmouth Relays. There were three records broken this season. Audra Roderiques broke the 330 hurdles. Tri-Capt. Kelly Hamilton broke the shotput record. The 4X440 relay record was broken by the relay team of Audra Roderiques, Tri-Capt. Janet Ferry, Jen Crandall, and Tri-Capt. Julie Benker.

Here's the game plan.

Really! I do have friends.

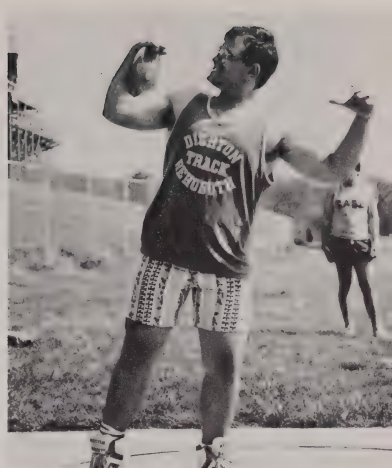

The boys track team finished their season with a record of 5 wins and 5 losses. The highpoint of the season was the State Class C. meet, where many Falcons stood out. Tri-Capt. Doug Tracey placed 5th in the 300 intermediate hurdles, with the time of 42.7, which set a new school record. Jeff Tracey placed 4th in the high jump clearing 6 feet, which is a freshman record and qualified him for the State Championship Meet. Also the one mile relay team of Doug Tracey, Tim Coleman, Barry Giller, and David Wood, Placed 6th.

Once again the Lady Falcons had a successful season with a record of 16 wins and 4 losses. They qualified for the state tournament and are seeded high. The team will be losing three very important players, their captains Brenda Bilodeau, Erin Henry, and Pam Rose. These three will be missed, but there are many returning starters with talent and experience. They will get help from some of the JV players, who finished their seasons with 11 wins and 5 losses. With these new varsity members and the returning starters, the Lady Falcons are expected to be strong competition again.

The Falcons struggled throughout the season with poor practice conditions most of the year. They finished their season with a losing record of 8 wins 12 losses overall. They had a 5-11 conference record and a 3-1 non-conference record. Of the 8 wins there were three good comeback victories against Bourne, O-R, and Case. Also, the Falcons Produced 2 Honorable Mention players to the SCC All Star Team, Eric Easterday and Jason Spreyer.

Wendy Gordineer

1971-1988

Everything today
made me want to be with you.

I heard a song on the radio
that reminded me of a time
we were together,
and I wanted to be with you
to share it again . . .

I heard a story
that made me laugh,
and I knew you'd think
it was funny, too —
I wanted so much
to tell it to you . . .

When I was with some friends,
I thought how much nicer
it would be
if you were there . . .

All my daydreams were about us,
about where we've been
and where we're going.
I wanted to tell you about them
because I knew you would
make those dreams more real.

Everytime
I thought about you today
I thought about
how much I love you,
and how much I want you
close behind me.

Note from the Editor

If you can trust yourself
Though others doubt you
And conquer fears
That limit what you dare
So you can freely give to those about you
The skills and talents that are yours to share;

If you can live, not for your pleasure only,
But gladly lend your gentleness and grace
To warm the hearts of those whose lives are lonely
And help to make their world a better place . . .

If you can balance dreams with practicality
And deal in facts, but never lose ideals,
If you can face the harshness of reality
And find the truths that prejudice conceals;

If you can temper facts with understanding
And seek to gently guide, not to control,
And neither be too lax nor too demanding,
But keep in mind the worth of every soul;

If you can take resources that surround you
And use them in the way you feel you should,
You'll be a somebody . . . and all those around you
Will be richer.

I'd like to give a special thank you to Mr. Harwood for all of his support and assistance. I would also like to thank the entire graduating class of 1989 for standing behind me thru both good times and bad. Good luck and best wishes.

Sincerely
Dina Rae Rebell
